DTW Night of the Nerds

Registration and more information

June 2, 2015

Eindhoven

The Netherlands

Night of the Nerds shows how fascinating the world of creativity, technology and innovation is. Over the course of the event, participants (from age 12 to 18) are feasted on the latest digital, technological and media developments. Passionate game changers and young heroes will show participants their way around Oculus Rift, robots, augmented reality, bio-art, gaming, sound design for films, 3d printing, nanotechnology, interactive art, coding, and much more. The program consists of Night of the Nerds shows, a testlab, experiences, clinics and tech talks.

Droplets 2015

More information and registration

October 6, 2015

Enschede

the Netherlands

The 3-day international workshop 'Droplets 2015' brings together researchers working on droplets in the broad sense: from pure to complex fluids, from impact to evaporation, covering experimental, theoretical, and industrial perspectives.

Take your career to the next level by exploring what world-class companies are offering at High Tech Campus Eindhoven! Leading high tech companies are now recruiting technical graduates and professionals for innovative projects that break new ground. Interested?

New York University (NYU) Engineering & Technology Fall Career Fair

More information

September 17, 2015

New York City, New York
USA

NYU students are invited to meet ASML Wilton to explore full-time, part-time and internship opportunities in fields including engineering, computer hardware/software, technology, science, management, digital media and construction management among others.

September 17, 2015

University of Maryland Fall Career and Internship Fair

More information

September 17, 2015

College Park, Maryland

USA

ASML Wilton will be at the University of Maryland's annual event at booth 40 to provide students an opportunity to meet face-to-face and discuss internships as well as full-time and part-time employment opportunities. The company will be recruiting undergraduate, graduate, post-doctorate and alumni in engineering majors, including reliability design, mechanical design, electrical design, mechatronics design and software design. ASML employee and Maryland alumni Vic Cappelli will be available to answer questions.

September 17, 2015

Worcester Polytechnic Institute (WPI) Fall Career Fair

More information

September 16, 2015

Worcester, Massachusetts

USA

ASML Wilton will be on site at Worcester Polytechnic Institute recruiting electrical and computer engineering, engineering physics, mechanical engineering, robotics engineering and systems engineering majors for full-time professional positions and summer internships. ASML employees and WPI alumni Andy Judge and Javier Berrios will be available to answer questions.

September 16, 2015

University of Illinois at Urbana-Champaign Engineering Career Fair

More information

September 19, 2015

Urbana, Illinois

USA

Cymer, an ASML company, will attend the University of Illinois at Urbana-Champaign Engineering Career Fair to meet with students about career opportunities.

September 19, 2015

University of Michigan SWE/TBP Career Fair

More information

September 28, 2015

Ann Arbor, Michigan

USA

Cymer, an ASML company, will visit the annual University of Michigan Fall Engineering Career Fair hosted by the Society of Women Engineers (SWE) and Tau Beta Pi (TBP) Engineering Honor Society. It is currently the largest career fair at the University of Maryland and the only one held in the fall.

September 28, 2015

Massachusetts Institute of Technology (MIT) Fall Career Fair

More information

September 25, 2015

Cambridge, Massachusetts

USA

ASML Wilton will join MIT's largest recruiting event of the year and the only MIT-wide career fair to be held in the fall. It is open to students of all disciplines and degree programs. ASML employees and MIT alumni Brandon Evans and Claire Chen will meet with students and answer questions about career opportunities.

September 25, 2015

University of Connecticut (UCONN) STEM Career Fair

More information

September 30, 2015

Mansfield, Connecticut

USA

ASML Wilton will meet with undergraduate, graduate and doctorate students at UCONN's STEM Career Fair to discuss full-time and internship opportunities. We will be recruiting for the following majors: Computer engineering, computer science, electrical engineering, engineering physics, environmental engineering and mechanical engineering. Two ASML employees and UCONN alumni, Dave McGrath and Mark DePalma, will be on site to speak with students.

September 30, 2015

University of Arizona Fall Career Days

More information

September 30, 2015

Tucson, Arizona

USA

Cymer, an ASML company, will join the UA Fall Career Days, the largest and most comprehensive career and job fair for students seeking positions after graduation.

September 30, 2015

Fairfield University Fall Career and Internship Fair

More information

September 30, 2015

Fairfield, Connecticut

USA

ASML Wilton will be available to meet with Fairfield University students at the Fall Career and Internship Fair to discuss opportunities to join the company.

September 30, 2015

University of Wisconsin-Madison Fall Engineering Career Connection

More information

September 30, 2015

Madison, Wisconsin

USA

Cymer, an ASML company, will attend the University of Wisconsin-Madison's Fall Career Connection, sponsored jointly by Engineering Career Services (ECS) and Polygon. The annual recruiting event offers students the opportunity to meet with Cymer in a casual environment prior to the beginning of their formal job search. All engineering students – freshmen through PhD should plan to attend. Cymer will be searching for full-time, co-op and summer interns.

September 30, 2015

Stanford University Computer Forum Career Fair

More information

October 1, 2015

Stanford, California

USA

Cymer, an ASML company, will attend Stanford Engineering's Computer Forum Career Fair, which brings together academic and industrial leaders in the fields of computer science and electrical engineering.

September 1, 2015

University of San Diego (USD) Engineering Career Fair

More information

October 6, 2015

San Diego, California

USA

Cymer, an ASML company, will participate in the USD Engineering Career Fair. Majors that will be recruited include engineering, business administration, electrical engineering, industrial and systems engineering, mechanical engineering and physics.

October 6, 2015

University of Arizona Industrial Affiliates Corporate Showcase and Career Fair

More information

October 7, 2015

Tucson, Arizona

USA

ASML Wilton will attend the College of Optical Sciences Industrial Affiliates for a company showcase and career fair. The networking dinner begins at 6:00 p.m. and ASML will be available to meet with talented students about career opportunities.

October 7, 2015

University of California Los Angeles (UCLA) Engineering & Technical Fair

More information

October 15, 2015

Los Angeles, California

USA

Cymer, an ASML company, will attend day two of the UCLA Engineering & Technical Fair in the Ackerman Grand Ballroom from 11:00 a.m. – 3:00 p.m. We will actively be recruiting for full-time and paid internship positions that target students with a bachelor's or master's degree or doctorate in engineering. Applicable areas of engineering studies include: Computer science, electrical, mechanical, materials and science, physics and manufacturing.

October 15, 2015

San Diego State University (SDSU) Engineering & Science Career Fair

More information

October 28, 2015

San Diego, California

USA

Cymer, an ASML company, will be at the SDSU Engineering & Science Career Fair from 10:00 a.m. – 2:30 p.m. in Montezuma Hall. Students will have the opportunity to meet with recruiters and alumni to discuss career opportunities.

October 28, 2015

University of California San Diego (UCSD) Science & Technology Career Fair

More information

October 7, 2015

San Diego, California

USA

Cymer, an ASML company, will meet face-to-face with students at the UCSD Science & Technology Career Fair in the RIMAC Arena from 10:00 a.m. – 3:00 p.m. Students with a bachelor's, master's or doctorate degree in computer science, electrical engineering, engineering sciences, mechanical and aerospace engineering, nanoengineering and physics are encouraged to stop by and discuss full-time and summer internship positions.

October 7, 2015

Portland State University

More information

September 25, 2015

Portland, Oregon

USA

ASML Hillsboro will connect with students and alumni at Portland State University's On-Campus Job Fair to discuss career opportunities.

September 25, 2015

Washington State University

More information

October 6, 2015

Pullman, Washington

USA

ASML Hillsboro will be meeting with Washington State University students at the VCEA Technical Career Fair. From freshman to senior and beyond, we are looking for interns, co-op students and employees.

October 6, 2015

Oregon State University

More information

October 23, 2015

Corvallis, Oregon

USA

ASML Hillsboro will participate in Oregon State University's Fall Engineering & Technology Career Fair. Come network and meet with our recruitment professionals to discuss exciting opportunities to work on cutting-edge technology development.

October 23, 2015

Gonzaga

More information

October 28, 2015

Spokane, Washington

USA

ASML Hillsboro will be at Cataldo Hall to meet with students at Gonzaga University's Engineering & Computer Science Career Fair. Don't miss your opportunity to learn about what it's like to work at ASML and the various career paths available to technical graduates and alumni.

October 28, 2015

Oregon Institute of Technology

More information

October 28, 2015

Klamath Falls, Oregon

USA

ASML Hillsboro will attend Oregon Institute of Technology's All Majors Career Fair. We will tour the campus and meet with students and faculty to exchange information and explore career opportunities with talented individuals.

October 28, 2015

Boise State University

More information

November 12, 2015

Boise, Idaho

USA

ASML Boise will have a booth at Boise State University's College of Engineering Career Fair from 9:00 a.m. – 2:00 p.m. Students will have the opportunity to meet face-to-face with our recruiters to gather information, network and discuss possible internship and/or careers with ASML.

November 12, 2015

Politecnico di Milano International Job Fair

More information

October 6, 2015

Milano

Italy

ASML will meet students from Politecnico di Milano University who are interested to work abroad for high tech companies.

October 6, 2015

Marathon Eindhoven

More information

October 10, 2015

Eindhoven

Netherlands

Also this year ASML will have a team of runners participating at the Marathon Eindhoven.

October 10, 2015

PCDI Postdoc Retreat

More information

October 30, 2015

Heeze

Netherlands

The PCDI Postdoc Retreat is a 3-day course on personal, professional and career development. The 14th edition is organized from 28 - 30 October 2015 and targets postdocs and final year PhD students in (Life) Science, Technology, Engineering, Maths (STEM).

Bart Noordam will participate on behalf of ASML in the forum discussion 'your role as a science professional in society' on Friday 30 October.

October 30, 2015

Techniek Bedrijven Evenement

More information

November 13, 2015

Rotterdam

Netherlands

Techniek Bedrijven Evenement is a career event for (dutch) technical students who would like to meet top employers. Master and bachelor graduates in engineering will get in contact with employers to explore career opportunities.

November 13, 2015

JetNet Career Days

More information

November 18, 2015

Eindhoven

Netherlands

The Jet-Net Career Day is a special evenement for students in 4 havo and 5 vwo class who chose a 'Natuurprofiel'. Together with classmates these students will visit the Jet-Net Career Day. During this day students get to know more about future study and work in engineering.

November 19, 2015

Ingenieurs Karriere Recruitment Tage

More information

November 19, 2015

Munich

Germany

Since 10 years VDI nachrichten Recruiting Tage brings together employers and engineers who are looking for a new challenge. This year, ASML will be one of the exhibitors at the career fair.

November 19, 2015

Bonding Messe Aachen

More information

November 30, 2015

Aachen

Germany

For the 28th time, the biggest job fair for students will be organized in Aachen. Technical students get the opportunity to meet future employers to work for in Germany or abroad.

ASML will attend this job fair for the 2nd time after the success of last year.

USC Fall 2017 Viterbi Engineering Career & Internship Fair

October 10, 2017

Trousdale Parkway, Los Angeles

United States

ASML is hiring the brightest minds from USC. Stop by our booth and chat with our recruiters and your USC alumni from ASML about the amazing career opportunities the highest of high tech company has to offer in California and across the US! Many engineering positions available!

October 10, 2017

Gonzaga U - Engr & Computer Science Career & Internship Fair

October 11, 2017

Gonzaga John J. Hemmingson Center 702 E Desmet Ave, Spokane, Washington 99258

United States

ASML is hiring the brightest minds from Gonzaga University. Stop by our booth and chat with our recruiters and hiring managers about the amazing career opportunities the highest of high tech company has to offer across the US! Many engineering positions available!

October 11, 2017

Oregon Institute of Technology Engineering & Business Fair

October 17, 2017

Oregon Institute of Technology 7726 SE Harmony Rd, Portland, Oregon 97222

United States

ASML is hiring the brightest minds from OIT. Stop by our booth and chat with our recruiters and hiring managers about the amazing career opportunities the highest of high tech company has to offer in Oregon and across the US! Many engineering positions available!

October 17, 2017

California Institute of Technology Engineering Career Fair

October 17, 2017

California

Unites States

ASML is hiring the brightest minds from CalTech. Stop by our booth and chat with our recruiters and your CalTech alumni from ASML about the amazing career opportunities the highest of high tech company has to offer in California and across the US! Many engineering positions available!

October 17, 2017

Oregon State University Fall Career Expo, STEM Fair

October 18, 2017

CH2M HILL Alumni Center 725 Southwest 26th Street, Corvallis, Oregon 97331

Unites States

ASML is hiring the brightest minds from Oregon State. Stop by our booth and chat with our recruiters and hiring managers about the amazing career opportunities the highest of high tech company has to offer in Oregon and across the US! Many engineering positions available!

October 18, 2017

UC Davis Fall Internship and Career Fair

October 18, 2017

California

United States

ASML is hiring the brightest minds from UC Davis. Stop by our booth and chat with our recruiters and hiring managers about the amazing career opportunities the highest of high tech company has to offer in California and across the US! Many engineering positions available!

October 18, 2017

Columbia University Engineering Career Fair

October 20, 2017

Alfred Lerner Hall 2920 Broadway, New York, New York 10027

United States

ASML is hiring the brightest minds from Columbia University. Stop by our booth and chat with our recruiters and hiring managers about the amazing career opportunities the highest of high tech company has to offer across the US! Many engineering positions available!

October 20, 2017

Portland State University STEM Career Fair

November 2, 2017

Smith Memorial Student Union 1825 SW Broadway, Portland, Oregon 97201

United States

ASML is hiring the brightest minds from Portland State University. Stop by our booth and chat with our recruiters and hiring managers about the amazing career opportunities the highest of high tech company has to offer across the US! Many engineering positions available!

November 2, 2017

Brown University Engineering Career Fair

November 15, 2017

Sayles Hall at Brown University 81 Waterman St, Providence, Rhode Island 02912

United States

ASML is hiring the brightest minds from Brown. Stop by our booth and chat with our recruiters and hiring managers about the amazing career opportunities the highest of high tech company has to offer across the US! Many engineering positions available!
